

BENEFIT EVENING

# L'ENVOLÉE

*Inflorescence*

Ready to take flight ?

Join us on April 22, 2025 for the 4th edition of the **L'Envolée Benefit Evening** ! Once again this year, we have an exceptional evening in store for you, full of emotion and surprises. What's more, you'll have the privilege of meeting the winners of the Mères avec pouvoir Award. This award recognizes the inspiring career paths of two Mères avec pouvoir participants who have distinguished themselves in the course of their journeys.

Tuesday, April 22, 2025 at 5 p.m.

Bonsecours Market

This event, which will bring together over 350 people from Montreal's corporate community and public figures, will raise funds to further the mission of the Mères avec pouvoir Foundation. As a result, more single mothers and heads of household will be able to obtain the support they need to change their life trajectory, for their own well-being and that of their families. Together, we're aiming for an ambitious goal: to raise **\$ 500,000** to support single mothers. Thanks to your generosity, we can make a significant difference in their lives.
