

At the **Mères avec pouvoir Foundation**, we rely heavily on the support of our young allies. Your participation in various events has shown us that young people are committed, open to others, motivated by a desire to help, and demonstrate great generosity.

In order to spread the word about the organization to new networks, we want to set up a group of young people who have our cause at heart, and who are willing to go the extra mile to make a real difference in the lives of many single mothers and their little ones.
