## Ready to take flight?

Join us on April 14, 2026, for the 5th annual **L'Envolée Benefit Evening** ! We have an exceptional evening planned for you, filled with emotion and surprises. You will also have the privilege of meeting the recipients of the Mères avec pouvoir Award. This award recognizes the inspiring journeys of two Mères avec pouvoir participants who distinguished themselves throughout their program.

**Tuesday, April 14, 2026  
At the Bonsecours Market**

This event, which will bring together over 400 people from Montreal's corporate community and public figures, will raise funds to further the mission of the Fondation Mères avec pouvoir. This will allow more single mothers and heads of households to get the support they need to change their life trajectory, for their own well-being and that of their families. Our goal: \$550,000!

**I want to join !**

**The co-presidents**

The honorary presidency will be held by the mother-daughter duo, **Christiane Germain**, co-founder of Germain Hotels, and **Marie Pier Germain**, co-president of Germain Hotels. We are privileged to be surrounded by exceptional women who will make this evening a resounding success.
