The Annual Fundraising Gala will not take place on May 12, 2020

Following the recommendations of competent government authorities, we have decided not to hold the 2020 edition of our Benefit Evening, which was to

take place on May 12. This difficult decision was taken conjointly with our Honorary President Isabelle Adjahi of WSP and the members of the organizing committee. We take this opportunity to highlight the excellent work they have done so far in organizing this major event.

There is no doubt that this is unfortunate, as the Meres avec pouvoir Annual Benefit Evening is the Foundation's main fundraising event. In fact, this event alone raises close to 90% of the Foundation's global funds. You will therefore understand that we cannot do without your support. This is why we encourage you to maintain your endorsement for our cause.

We invite you to continue your commitment to our organization by participating in fundraising events that will be offered to you in the coming months. The funds raised through these activities are essential to the continuation and the proper functioning of the organization. You can now donate by clicking on the link below. Your support is greatly appreciated!

On our part, we are redoubling our efforts to ensure a healthy and safe environment for the Mothers of Meres avec pouvoir and their children. Help us provide ongoing assistance and caring for these determined women who have chosen to provide a better future for their families.

We sincerely thank you for your continued support, especially in these uncertain times.

Take care of yourself and your loved ones.

Members of the organization committee:
